Welcome to the Community Resource Inventory (CRI)

This guide features community service providers that serve Maryland. Each listing includes basic contact information for each organization and a brief description of what they do and the need areas they serve. This guide includes links to resource databases to search for community service organizations by need or location. You may search the entire document for specific resources or need areas by using CTRL+F and typing your search term.

This is not a comprehensive list of available resources. Please call or refer to the organizations' websites for up-to-date information.

If you know of or represent an organization that provides treatment and/or support services to individuals experiencing substance use, mental health conditions or health-related social needs (housing, transportation, food, utility needs, etc.) and wish to be added to this guide OR if your organization is already featured in this guide and you wish to update your referral information, please complete our Update Form by [clicking here](#).

This program is supported by the Centers for Disease Control and Prevention of the U.S. Department of Health and Human Services (HHS) as part of a financial assistance award totaling \$966,300 with 100 percent funded by CDC/HHS. Need Area(s)	Intensive Outpatient Program (IOP), Medical Services, Medication Assisted Treatment (MAT), Mental Health Services, Outpatient, Psychiatric Rehabilitation Program (PRP), Behavioral Health Therapy		
Description	Our addiction treatment approach is successful because we treat more than just the symptoms of opiate addiction. We also treat the behaviors and life circumstances that accompany, enable, and cause addiction. Our outpatient addiction treatment integrates medical, psychological, vocational, economic, and social expertise to literally "wrap around" the patient and the patient's lifestyle. And we do not disrupt the process by sending the patient from one facility to another; we do it all under one roof. No wait to get into treatment. Call us or come by, and we'll get you in today. We accept Medicaid, Medicare and Self-Pay patients.
